

A large-scale photograph of a convention hall with a high, white, truss ceiling. In the foreground, the word 'iFORUM' is displayed in massive, blue, 3D block letters. The 'i' is lowercase and has a white dot. The 'F', 'O', and 'R' are uppercase and very large. The 'U' and 'M' are also uppercase but smaller than the 'F' and 'O'. The letters are arranged in a line across the width of the frame. In the background, several people are visible, some standing near the letters and others further away. The floor is a light-colored, polished surface. The overall lighting is bright and even.
